Visit Coffee and Honey for a range of excellent coffees, fresh honey and some wonderfully tasty cakes! In addition to our cozy cafe, we sell our coffee beans and fresh honey online and we ship across Ireland; if you live close by, you can pick up your order at our cafe for free and enjoy a slice of cake and a coffee while you're there. See you soon!

Our owner Rich is a passionate beekeeper and supplies all the honey available in our cafe. The honey comes direct from the hive, with nothing added to it. If you would like to book a tour of one of his hives, come back between April and September and sign up to inspect the bees!
